

# Ever After (Eric's Beach mix)

## Bonnie Bailey

Three years ago, my journey began  
Chasing down with you, no plan in hand  
Just your pulse, my raising guide in the dark  
Just no win with conviction from the startThe moment your eyes made an introduction  
I found my second value in the breath of life  
Flawless to the point of being cuddly  
I fell all for, your imperfectionsAnd now it's like the weather is slightly warmer  
Hands gripped together, eye to eye through the storm, yeah  
I still believe in ever after, with you  
Cause life is a pleasure with you by my side  
And there ain't no pourin', in this rainbow weekend ride  
I still believe in ever after, with you  
Nothing compares to the good times  
Feels like we're floating when the rest have to climb  
You made me believe in love and all the perfect kind  
A real messy beautiful twisted sunshineEmotions I gave it eruptions  
We both still care, so it's still alive  
Tunnel vision, determination  
I want you; I want to make it rightAnd now it's like the weather is slightly warmer  
Hands gripped together, eye to eye through the storm, yeah  
I still believe in ever after, with you  
Cause life is a pleasure with you by my side  
And there ain't no pourin', in this rainbow weekend ride  
I still believe in ever after, with youYou are my twisted sunshine  
You are my twisted sunshine  
And now it's like the weather is slightly warmer  
Hands gripped together, eye to eye through the storm, yeah  
I still believe in ever after, with you  
Cause life is a pleasure with you by my side  
And there ain't no pourin', in this rainbow weekend ride  
I still believe in ever after, with you  
And now it's like the weather is slightly warmer  
Hands gripped together, eye to eye through the storm, yeah  
I still believe in ever after, with you  
Cause life is a pleasure with you by my side  
And there ain't no pourin', in this rainbow weekend ride  
I still believe in ever after, with you  
And now it's like the weather is slightly warmer  
Hands gripped together, eye to eye through the storm, yeah

I still believe in ever after, with you  
Cause life is a pleasure with you by my side  
And there ain't no pourin', in this rainbow weekend ride

I still believe in ever after, with you
