

# Monsters

## Jewel

I don't wanna be free, you don't wanna be free  
I'm alone, you're alone  
Let's be alone together  
I don't think I'm in love, I don't think you're in love  
And I know I'll get bored  
But this room is so cold Do not expect too much  
I just want you to be a convenient shelter  
Drive away my lonely nights, my monsters,  
Won't you Save me, don't you know that all the girls are crazy?  
Don't you love control, so won't you be my baby?  
You can have it all while I'm not giving any  
Don't you love control, so won't you be my... This is more than a game  
And I'm starting to get used to missing you  
when you're not around  
I've got this empty chair, I keep it beside my bed  
Used to dream that the devil was sitting there But now it's you, it's you, my darling  
I keep talking to you even when you are not listening  
Won't you Save me, don't you know that all the girls are crazy?  
Don't you love control, so won't you be my baby?  
You can have it all while I'm not giving any  
Don't you love control, so won't you be my All my nightmares are now gone, all excepting one  
Now that my monsters left, if you go, I'll be all alone Save me, don't you know that all the girls are crazy?  
Don't you love control, so won't you be my baby?  
You can have it all, I chose you out of many  
Show me how to love and I will be your..
