I Took My Strength from You

Stephanie Mills

Knowin' the way the wind was gonna blow
That was the way that I'd be goin', too afraid to stand alone
Too unsure to ever make my mind up
Followin' the crowd was where I'd wind upJust like the tide keeps changin' with the moon
Day after day I changed direction, tryin' hard to find myself
Wonderin' where my hopes and dreams had gone to
There I was, with nothing to hold on toOh, but then I took my strength from you
I had none, I had none
And then I took my strength from you
I had none, I had none
Until I met you
Just when I needed your love
I met you
