

# I Took My Strength from You

[Stephanie Mills](#)

Knowin' the way the wind was gonna blow  
That was the way that I'd be goin', too afraid to stand alone  
Too unsure to ever make my mind up  
Followin' the crowd was where I'd wind up Just like the tide keeps changin' with the moon  
Day after day I changed direction, tryin' hard to find myself  
Wonderin' where my hopes and dreams had gone to  
There I was, with nothing to hold on to Oh, but then I took my strength from you  
I had none, I had none  
And then I took my strength from you  
I had none, I had none  
Until I met you  
Just when I needed your love  
I met you
