

Dreams

Sammy Hagar

Your world turns black and white, your pictures in an empty room
Your love starts fallin' down, better change your tune
You reach for the golden ring, you reach for the sky
Spread your wings Let's get higher and higher
Straight up we'll climb
Higher and higher
Leave it all behind Run, run, run away, like a train runnin' off the track
The truth gets left behind, falls between the cracks
Standin' on broken dreams, never losin' sight
Spread your wings Let's get higher and higher
Straight up we'll climb
Higher and higher
Leave it all behind So baby, dry your eyes, save all the tears you've cried
Oh, that's what dreams are made of
Oh baby, we belong in a world that must be strong
Oh, that's what my dreams are made of We'll get higher and higher
Straight up we'll climb
We'll get higher and higher
Leave it all behind Oh, we'll get higher and higher
Who knows what we'll find Oh baby, dry your eyes, save all the tears you've cried
Oh, that's what dreams are made of
Oh, yeah baby, we belong in a world that must be strong
Oh, that's what dreams are made of And in the end, on dreams we will depend
Oh, that's what love is made of I got my dreams, [Incomprehensible] we always got our dreams
God bless
