

Same Ground

Kitchie Nadal

My love,
Its been a long time since i cried
And left you out of the blue.
Its hard leaving you that way when
I never wanted to. Self-denial is a game
Its strange i never wouldve
Wanted if until there was you. 'Cause i have learned that love is beyond
What human can imagine,
The more it clears
The more i have to let you go. CHORUS:
It's what I don't understand is why im feeling
So bad now when i know it was my idea.
I couldve just denied the truth and lied.
But why am i the only one standing stranded
On the same ground? My love because i have learned that love is a
Word gets thrown a little bit too much.
The best excuse to fill the infinite abyss
I never have to if all else fail Would you be there to love me?
When all else fail,
Would you be brave to see right through me?
