Again, Again And Again

Blaqk Audio

Give me just a second, I'll find something to say
Had I just a minute, I'd have made the great escape
What could he do, what could he do when she saidI want, I want youWhat'll it take for you to surrender?
I gave you a taste oh how you've grown
This great trial, this self-denial, it's a trial to leave you clean
'Cuz I like it dark and low, you knowRare blind recognition rushed in with a breath
Turn to salutation, slyly she said, "Haven't we met?"
Let our history repeat itself one too many times
For every time we return to our scene it seems less like a crime
What could I do, what could I do when she saidI want, I want youWhat'll it take for you to surrender?
I gave you a taste oh how you've grown
This great trial, this self-denial, it's a trial to leave you clean
'Cuz I like it dark and low, you know'Cuz I like it, 'cuz I like it
'Cuz I like it, 'cuz IWhat'll it take for you to surrender?
What'll it take for you to surrender?What'll it take for you to surrender?
I gave you a taste oh how you've grown
This great trial, this self-denial, it's a trial to leave you clean
'Cuz I like it dark and low, you knowYou know
You know
