

That's When You Bless Me

L.A. Mass Choir

VERSE 1

My life was torn beyond repair
I felt so alone, seemed no one cared
You came along, gave me a song
To ease the pain and erase the straining

BRIDGE

You could have left me standing there
With no one, no one to care
But You promised me You'd be there on time
And You did just what You said

VERSE 2

Against all odds, I made the choice
To give You my life, now I rejoice
You answered my prayers not a moment too soon
Your word I embraced, my sins you erased

BRIDGE

CHORUS

That's when You bless me
That's when You bless me
(Lord, You brought me through, now I'm brand new)

Yes

That's when You bless me
That's when You bless me
(Lord, You promised me You would hear my plea)
And You did just what You said.
