

Love Is For Suckers

Twisted Sister

You saw me comin', you had my number
But you don't want me, could you be dumber
Your eyes are flashin', your lips are willing
But I'm a patsy for the killing
You're so beautiful, so unforgettable
You think that I'd do most anything
CHORUS: Love is for dreamers, love is for believers
Love is for losers, love
Is for suckers
Love is for suckers, love is for suckers
Listen, I'm not some poor fool, won't jump through your hoop
Ain't gonna crawl, girl, to that I won't stoop
So if you want me, you'll have to get me
And if you're willing I'll be ready
You're so beautiful, so unforgettable
To me that just don't mean anything
REPEAT CHORUS Listen, well, well, well, if it isn't little miss perfect
And to what do I owe the pleasure of this visit?
You want to get back together? You do, huh?
Well, listen honey, I'm just not interested
You'll what? You will? With your heels on?
Oh no, come on, babe, let's go
Here I go again
Solo - Eddie You're so beautiful, so unforgettable
You know that I'll do most anything
REPEAT CHORUS Listen, love is for suckers, love is for suckers
Suckerfy me, suckerfy you (love is for suckers)
Always been suckers and do most anything
I don't want to be a sucker (love is for suckers)
I'm a sucker, you're a sucker
He's a sucker, she's a sucker (love is for suckers)
Would you like to be a sucker too, be a sucker?
Love is for suckers, yeah, yeah
Sucker
