

# Rise and Ruin

## Orden Ogan

They cut away  
The sickness  
Out of all of us  
They wash away  
The pain  
Wash it awayNow everyone  
Is dead  
There's nothing  
To regret  
As the world goes  
Down the drain  
Into the pit  
Into the fire  
They shall burn  
Into the pit  
Into the fire  
They fall after all[Chorus:]  
They roar  
Without voice  
Stalking like cats  
And read out  
Their note  
That leaves 'em  
No choice  
Between fire  
And rope  
They run  
Like the rats  
But nobody leaves  
Easton Hope  
Defenseless -  
I'm broken  
The future lies  
Under a stormy sky  
I never thought  
It'd come so far  
Come hold me  
And love me  
For it may be

The last time  
In our life  
That we feel warmth You all wear  
My crown  
For I will take  
You down  
Into my agony (into my agony)  
This ground  
Will be a grave  
Forsaken  
And depraved  
This is our destiny  
This night  
I'm burning  
My love tonight  
Inside she's dying  
In cleansing light You have to pay  
The ferryman  
I bring deliverance  
I make the way  
I paid the ferryman  
Ten years ago [Chorus:]  
They roar  
Without voice  
Stalking like cats  
And read out  
Their note  
That leaves 'em  
No choice  
Between fire  
And rope  
They run  
Like the rats  
But nobody leaves Easton Hope [Solo: Tobi] Praise and serve  
The machine  
And choke  
In its steam [Chorus:]  
They roar  
Without voice  
Stalking like cats  
And read out  
Their note  
That leaves 'em  
No choice  
Between fire

And rope  
They run  
Like the rats

But nobody leaves Easton Hope [2x](Praise) and serve  
The machine  
And choke  
In its steam [3x]
