

# Brand New Toy

Paul Weller

I'm gonna clear out my head  
I'm gonna get myself straight  
I know it's never too late  
To make a brand new start

I'm gonna kick down the door  
I'm gonna get myself in  
I'm gonna fix up the yard  
And not fall back again

I'm gonna clear up my earth  
And build a heaven on the ground  
Not something distant an' unfound  
But something real to me  
But something real to me

All that I can I can be  
All that I am I can see  
All that is mine is in my hands  
So to myself I call

There's somewhere else I should be  
There's someone else I can see  
There's something more I can find  
It's only up to me

I'm gonna clean up my earth  
And build a heaven on the ground  
Not something distant an' unfound  
But something real to me  
But something real to me

I'm gonna clean up my head  
I'm gonna get myself straight  
I feel it's never too late  
To make a brand new start  
To make a brand new start  
To make a brand new start
