To Start Anew

The Perishers

I'm breathing, I feel my heart beat
But it's been a while since I've been alive
A new day, I feel a summer breeze
I will let it take me, wherever it may pleaseBreaking the promises I've made
'Cause I don't thirst for more
Don't hunger like before
I can't pretend another day
I'm not sure no more
That we were fine beforeI'm sorry, I hate to let you down
I know I promised that I'd always be around
A new day, a chance to start anew
I will try and move on but I'll remember you
Don't think I can forget one day I might regretBreaking the promises I've made
'Cause I don't thirst for more
Don't hunger like before
I can't pretend another day
I'm not sure no more
That we were fine before
