

# Man Down (Censored)

50 Cent

It hurts

Yeah yeah yeah yeah yeah, yeah! D's trying to plant a murder on me

In the precinct they saying I done murdered homey

I told my lawyer I ain't heard of homey

And everybody know my niggas buried him fo' me

You see I'm on your crib it ain't a burglary homey

They fin' to have me stuck in purgatory

I'm down to do the sticking when it come to the orgy

Conventional methods of sex, totally bore me

Wait~! I'm getting sidetracked, back to the story

These cock sucking got it in fo' me

They wanna, me up

Me find my burner and, me up

But history repeats itself, they never learn

The Unit's the new people who gon'

Huh, we'll find out when niggaz let off the rounds

And this, screamin, down[Chorus]

Get in the way, I'll murder them

I'll murder them

A nigga already got three strikes, I'll murder them

I said I'll murder them

Any motherfucker touch me, I'll murder them

I'll murder them

You don't believe me wait and see, I'll murder them

You see I told you I'd murder them They saying I'm an accident waiting to happen

I got one in the head, I'm just waiting to clap it

A pimp told me I was made for this mack shit

So just get you a white girl, don't fuck with no black bitch

I got two felonies, from selling that crack shit

And the third one, came from showing niggas my mac spit

See I'm down for that daytime action

Have niggas crawling under cars when I start to capping

So they don't know what to say to the...

But they know if word get back, something gon' happen

I've been shot, I've been stabbed, but I ain't been snitched on

When you snitching where I'm from you gon' get your shit blown

Southside, I make the best of the worst

We gotta share the same bitch, okay I go first

Cause your, baby's momma is my, baby's momma

I come through to see my little nigga with the llama
