

Busted

D.R.I.

Police drive by, I hold my breath
I've got 10 warrants for my arrest
They stop at the light and whip it around
Ten minutes later I'm headed downtown
Free RideBusted... stepped out of line
Busted... no place to hide
Busted... couldn't pay my finesIt makes no sense to live this way
But I'm gonna do it anywayBusted... for being me
Busted... for being free
Busted... can't pay my bail
Busted... I'll die in jailIt makes no sense to live this way
But I'm gonna do it anyway
