

The Ballad of The RAA

The Rural Alberta Advantage

We invariably left the prairies in my heart
Since well it never moved an inch
Does the love grow, home with the wild rose
Now, something's moving out here We invariably left the prairies in my heart
Since well it never moved an inch
And then you found me, alone on a Friday
Now, something's moving out here Swap Garneau for Dundas
My parents for your dad
The Rockies for the Great Lakes
And my heart pounds as you say Swap Garneau for Dundas
My parents for your dad
The Rockies for the Great Lakes
And my heart pounds as you say All these things will pass
It's the good ones that will last
And right here what we've had
Is a good thing and it will last And all these things will pass
It's the good ones that will last
And right here what we've had
It's a good thing and it will last
