# Don't Stop

## The Delgados

Don't stop
I mean it don't stop
No one's beside you 'cause everyone's up
Changin'
Dreams for my kin
Just to be sure that you're fifty percent ...
Don't be afraid of me
I'm not the one that you fear

Live now
Sing when you can
Sing when you're taller and wider and cleaner
I'd known
That you will grow
Just don't be thanking your lazarus youth boy
Don't be afraid of me
I'm not the one that you fear
Lying beside you are friends who don't know how to hear
I hear you

Driving along through the glen at three-thirty
Thinking that when I return you won't be there
I'll make my bargains with those who will hear me
This is the time they fear, let's pray to Jesus
Don't be afraid of me
I'm not the one that you fear
Lying beside you are friends who don't know how to hear
I hear you
