Eartha Kitt

skdar'a gider iken aldi da bir yagmur
skdar'a gider iken aldi da bir yagmur
Ktibimin setresi uzun, etegi amur
Ktibimin setresi uzun, etegi amurKtip uykudan uyanmis, gzleri mahmur
Ktip uykudan uyanmis, gzleri mahmur
Ktip benim, ben ktibin, ele karisir?
Ktibime siter eter faltu ne gzel yarasirUska dara is a little town in Turkey
And in the old days
Many women had male secretaries
Oh, well, that's Turkeyskdar'a gider iken bir mendil buldum
skdar'a gider iken bir mendil buldum
Mendilimin iine lokum doldurdum
Mendilimin iine lokum doldurdumThey take a trip from Usku dara in the rain
And on the way they fall in love
He's wearing a stiff collar, in a full dress suit
She looks at him longingly through her veil
And casually feeds him candy, oh, those TurksKtibimi arar iken yanimda buldum
Ktibimi arar iken yanimda buldum
Ktip benim, ben ktibin, el ne karisir?
Ktibime kolali da gmlek ne gzel yarasirKtibimi arar iken yanimda buldum
Ktibimi arar iken yanimda buldum
Ktip benim, ben ktibin, el ne karisir?
Ktibime kolali da gmlek ne gzel yarasir
Ktibime kolali da gmlek ne gzel yarasir
