Wear My Hat

MAC MILLER

I used to tell her keep her hands up off my hat,
But now she think she got it like that,
I used to tell her keep her hands up off my hat,
Mmm I think she think she got it like that,Baby you could wear my hat,
Just make sure you give it back,
Baby you could wear my hat,
If you got somethin' to match,Baby you could wear my hat, just twist it to the back,
We drinkin' out the bottle while you sittin' on my lap,
Then we could go outside, let me take you on a ride
With the top down, show off to people you my prize,
Nothin' like a girl who likes to wear a pair of Nikes,
Shinin' like my high beams cooler than some ice tea,
Yeah I got a female, who like to send some pictures to my email,
Professional with shop and you would think she worked at retail,
Snapbacks make 'em look so cute,
And that girl know how to blow
Somethin' like she played the flute,
That long hair and its fallin' down her back,
I put on my hat and she reach and try to snatch it
Baby you be hotter than a match stick
Bad bitch make a snapback look fantastic
But sorry you can't have this,
She smiled big, kissin' on my cheek
Baby you could wear my hat make sure you give it back to meBaby you could wear my hat,
Just make sure you give it back,
Baby you could wear my hat,
If you got somethin' to match,Baby you could wear my hat, Baby you could wear my hat,
Just make sure you give it back, Just make sure you give it back,
Baby you could wear my hat, Baby you could wear my hat,
If you got somethin' to match, If you got somethin' to match thatShe like to play her stupid games with me,
She never seem to have enough,
She brought some friends for whoever came with me,
So my homies sayin' that's what's up,
And I hear her name's pretty from a different continent
Tellin' me she's single but to tell the truth I'm not convinced,
It's all good I'm used to boyfriends always talkin' shit,
Thinkin' that they players but I'm coach you call me Popovich,
Baby I ain't doctor rich but I'll probably show you a good night,
When girls come out with me they make sure that they look right,

She used to be surrounded all of a sudden she took flight,
And we ain't seen her since tell me what does that look like,
I'm the type to bring you right back down to earth
And for what it's worth I'll put that Louis on your purse,
She like to wear my hat make me laugh so I'm guessin' she a keeper,
I think she stole it though I keep tryin' to reach herBaby you could wear my hat,
Just make sure you give it back,
Baby you could wear my hat,
If you got somethin' to match,Baby you could wear my hat, Baby you could wear my hat,
Just make sure you give it back, Just make sure you give it back,
Baby you could wear my hat, Baby you could wear my hat,
If you got somethin' to match, If you got somethin' to match thatI used to tell her keep her hands up off my hat,
But now she think she got it like that,
I used to tell her keep her hands up off my hat,
Damn, I think she think she got it like that
