

# My Guns Are Loaded

Bonnie Tyler

I used to sit right down and imagine  
What it would be like  
To have your loving arms around me  
On a starry night Oh but, I got tired of dreaming  
'Cos dreaming is nothing to do  
I got tired of dreaming  
About you My guns are loaded  
You're in my sights  
I'm gonna love you tonight My guns are loaded  
They're pointing at your heart  
All I need is your loving  
And a full time place in your heart All I need is your loving  
And a full time place in your heart I used to sit right down and imagine  
What it would be like  
To have you lying there beside me  
All through the night Oh but, I got tired of dreaming  
'Cos dreaming is nothing to do  
And I got tired of dreaming  
About you My guns are loaded  
You're in my sights  
I'm gonna love you tonight My guns are loaded  
They're pointing at your heart  
All I need is your loving  
And a full time place in your heart All I need is your loving  
And a full time place in your heart My guns are loaded  
You're in my sights  
I'm gonna love you tonight My guns are loaded  
They're pointing at your heart  
All I need is your loving  
And a full time place in your heart All I need is your loving  
And a full time place in your heart My guns are loaded  
You're in my sights
