Nasty

Profyle

Ooh, you so nastyWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)
Because you get up on meWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)
Because your body's bangingI like the way you put it on me, girl
(You like that?)
You make me wanna ride
(I make you wanna ride, baby)
The way we're touching
It feels like we're fucking
I wanna get up inside, yeahAnd I can tell you're hard
I know, 'cause I can feel it
Up and down my thighs
I know what you're thinkingWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)
Because you get up on meWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)
Because your body's bangingI'm not your girl
I'm not your man
But we can danceI wanna wet that pussy
Won't you back it up on me
Come and let me hit that hot spot
(Can you handle it?)And it really don't matter
That everybody's looking at us
'Cause we'll be bumping
Till the music stopsI can tell you're hard
I know, 'cause I can feel it
Up and down my thighs
I know what you're thinkingWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)
Because you get up on meWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)
Because your body's bangingI'm not your girl

I'm not your man
But we can danceI didn't mean to turn you on
(Girl, I don't mind)
So let me give you what you want
(Girl, take your time)
I wanna see you lose control
(We've got all night)
Baby, can we get it onWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)
Because you get up on meWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)
Because your body's bangingWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)
Because you get up on meWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)Baby, when you push up on me
I like it, I like it
Baby, when you touch my body
I want it, I want it
When you feel the funk coming on
Get on it, get on it
Move slow tonightWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)
Because you get up on meWhy you gotta be so nasty, girl
(Because you make me horny)
(Why you gotta be so nasty, boy)
Because your body's banging
