

Waiting

Green Day

I've been waiting a long time
For this moment to come
I'm destined for anything at all
Downtown lights will be shining
On me like a new diamond
Ring out under the midnight hour
Well no one can touch me now well
And I can't turn my back
It's too late, ready or not at all
Well I'm so much closer than
I have ever known, wake up
Dawning of a new era
Calling don't let it catch you falling
Ready or not at all
It's so close enough to taste it
Almost I can embrace this
Feeling on the tip of my tongue
Well I'm so much closer than
I have ever known, wake up
Better thank your lucky stars
Say, hey, hey
Well I'm so much closer than
I have ever known, wake up
Better thank your lucky stars
Say, hey, hey
I've been waiting a life time
For this moment to come
I'm destined for anything at all
Dumbstruck, color me stupid
Good luck, you're gonna need it
Where I'm going if I get there at all
Wake up
Better thank your lucky stars
