

# Tears of Joy

[Melissa Manchester](#)

When it happened in my dreams  
Seems to me it never went like this  
Here you're telling me you love me  
And I'm weeping like a baby  
Put your arms around your baby  
She's been waiting, oh, so long  
Guess I'm feeling too happy to smile  
And I just have to cry for awhile  
Never thought that this could happen to me  
I just got to cry those tears of joy like rain  
But the sun is shining  
Tears of joy, let them fall, let them fall forever more  
Sweetest tears I've ever known  
I don't even want to dry my eyes  
Not as long as I can taste them  
Flowing sweet as honey  
Have yourself a taste of honey  
She's been waiting, oh, so long  
When your life is too good to be true  
Ain't it funny the things that you do  
Never thought that this could happen to me  
I just got to cry those tears of joy like rain  
But the sun is shining  
Tears of joy, let them fall, let them fall forever more  
I just got to cry those tears of joy  
It's rain  
But the sun is shining  
Tears of joy, let them fall, let them fall forever more  
Here you're telling me you love me  
And I'm wearing like a baby  
Put your arms around your baby  
She's been waiting, oh, so long
