

# The Great Flood

Joe Bonamassa

It's been too long , since i said i loved you  
It's been too long , since i cared  
It's been too long , since i said i loved you  
It's been too long , since i cared Well my conscience is finally clear  
I been waiting all these years Well it's raining , all day and night  
The great flood , has come around  
Well it's raining , all day and night  
The great flood , has come around 'Cos when my house is about to wash away  
Rain is such a lonesome sound Well you said , you might be receiving  
Oh i could tell it was all a bunch of lies  
Well you said , you might be receiving  
Oh i could tell it was all a bunch of lies Well i know there's been a lot's of heartaches  
I've been suffering all my life  
..... Suffering Mmmmmm Mmm
