I Pray

Apache Indian

Chorus

Say me a sit down pon a rock just a cool and relax With the blue blue sky and the green green grass Burn fe me herb please do not disturb Ca me wan hear the sound of the two sweet birdVerse I wan find the way home Where the sun shine and the animal roam Where the sea flow and the wind get blown Where me hair long right down to the ground Where no one fuss and no one can moan Where no one throw not a stick or a stone Where no man rule and no man get crown Just the almighty I sit down pon the throneMain chorus I pray fe a land that free of evil - I pray I pray that the wicked them read jah Bible - I prayChorus While me a sit down pon a rock just a cool and relax With the blue blue sky and the green green grass Burn fe me herb - please do not disturb Ca me wan hear the sound of the two sweet birdVerse I wan to start understand Why the whole world in aconfusion Why man a fight gainst fe him brother man Why the children have fe suffer so long Why do we watch this ya destruction When we done know that the solution Is fe live good and respect everyone No matter what them colour creed or nationMain chorus I pray fe the sick them and the needy - I pray I pray that a man no need fe greedy - I pray I pray that we can live in unity - I pray I pray that we can live as one family - I pray
