Bring On the Night

[Sabre](#)

It's the early evening, twilight closing' in
Look around it's time let the night begin.
Out where it's safer, the streetlights glow
Try and push back the night, such aâ€¦ feeble show.

C'mon, bring on the night
bring on the night
bring on the night
I'm gonna wind it up tight

Mystical feeling, passing' over me.
Darkness descending lends it's strength to me.
Pulsin, racin'â€¦through my veins.
Strike the lights, turn meâ€¦on again.

C'mon, bring on the night
bring on the night
bring on the night
I gotta' tell ya'- I feel all right.

Let me tell ya' 'bout the power and the glory
Bass and drums layin' it down, down, down, ya.
Guitars screamin', if ya' know what I'm meanin',
I'm gonna take youâ€¦make you â€¦high.
