Infected Mushroom

I feel ashamed, again and again
Nothing to give, and no-one to blame
During the day, I guess I'm OK X2I feel ashamed, again and again
Nothing to give, and no-one to blame
During the day, I guess I'm OK X2I feel ashamed, again and again
Nothing to give, and no-one to blame
During the day, I guess I'm OK
At night
I sit by your side
Waiting for you, to give me a sign
I'm counting the days
And have nothing to sayaaaaaaaaaaaaahhhh
I hope I can chill and stay the same
Stop the bleed inside and feel again
Cut the chain of lies you've been feeding my veins
I've got nothing to say to you
I hope I can chill and stay the same
Stop the bleed inside and feel again
Cut the chain of lies,
I've been beating and beating and beating myself...I feel ashamed, again and again, nothing to give, no one to
blame, during the day
I guess I'm OK
At night, I sit by your side
Waiting for you, to give me a sign
I'm counting the days, and have nothing to saycut the chain of lies, you've been feeding my veins
X7aaaaaaaaaaaaaaahhhh
I hope I can chill and stay the same
Stop the bleed inside and feel again
Cut the chain of lies you've been feeding my veins
I've got nothing to say to you
I hope I can chill and stay the same
Stop the bleed inside and feel again
Cut the chain of lies,
I've been beating and beating and beating myself...I hope I can chill and stay the same
Stop the bleed inside and feel again
Cut the chain of lies you've been feeding my veins
I've got nothing to say to you
I hope I can chill and stay the same
Stop the bleed inside and feel again

Cut the chain of lies I've been beating myself without nothing to say to you, nothing to say to you
