## Alanis Morissette

I have tasted stardom since before I breathed  
My well-known hungry daddy modeled it for me  
And I have never left this ambitious city  
And Iâ€™ve only known a lust for VIP

I have studied long and hard how to proceed  
Nothing but my name in bright lights call to me  
I display the perfect amount of ennui  
Iâ€™ll carve my face up if youâ€™ll indulge me

Give me celebrity  
My kingdom to be famous  
Tell me who I have to be  
Starving to be famous

Never wondered whoâ€™s pulling strings above me  
Cuz Iâ€™m aware of wheels, heels and vintage Gucci  
Iâ€™m on my twentieth round of Vitamin V  
Iâ€™ll cut my weight in two if youâ€™ll have me

Give me celebrity  
My kingdom to be famous  
Tell me who I have to be  
Starving to be famous

Let me into this exclusive club  
Ignore my not-so-hidden agenda

I am a tattooed sexy dancing monkey  
Just aloof enough to get you to want me  
Hoping my persona ingratiates me  
Give my life for an opportunity

Give me celebrity  
My kingdom to be famous  
Tell me who I have to be  
Starving to be famous
