Maybe Tonight

Bonnie Dune

Call your girls, we meet you out
Joy the sound, we'll walk all the pound
'Cause tonight up in flames
We're gonna burn off these cold days
Maybe tonight I won't be alone
Maybe tonight I won't be alone!Bodies move in a crowd,
Feel the music yeah, call you out!
Take me hand and pull me in,
Lose our way to be found again, and
Maybe tonight I won't be alone
Maybe tonight I won't be alone!
Oh, drive me faster and whisper closer
Leave the windows down,
Further we go, the more we crawl for
Everything we want, and
Maybe tonight I won't be alone-lone-lone
Maybe tonight I won't be alone!
Maybe tonight I won't be alone
Maybe tonight I won't be alone
Cause we the further we go, more we crawl for
Everything we want
