

Drinks On Me

Millionaires

Give me my Merlot
My pinot Gringio
Give me my Chandon
We mix that alcohol Don't need no 12 steps
Shots all night, all night
DGAF & no regrets
Happy hour starts at 5
You think I'm staring at yah
Like imma take you home
My heart belongs to one man
Mr. Cuervo Give me my Morgan
I need my Belvedere
Another Jack & Coke
We like that alcohol Pop that bub
Cause you know them drinks on me
We killin' these shots like R.I.P.
We're wasted & we ain't going ho-o-ome Fill your cup
Cause you know them drinks on me
We countin' these stacks like 1 2 3
My paper be over flowing
O-O-O Give me that Andre
4LOKO errrday
Give me that UV
Cheap alcohol please
Straight up and on the rocks
My liver's hell a shot
F*ck all the bro's and jocks
Tonight I'm rollin' the cops
This ain't no A&E
You won't see me on
Intervention straight a student
Honor rollin' Sneaking vodka in detention Give me my Bailey's
I need my Jager Bombs
Give me that Sake
We like that alcohol Pop that bub
Cause you know them drinks on me
We killin' these shots like R.I.P.
We're wasted & we ain't going ho-o-ome Fill your cup
Cause you know them drinks on me

We countin' these stacks like 1 2 3
My paper be over flowing
O-O-O Give me my Merlot
My Pinot Gringio
Give me my Chandon
We mix that alcohol Give me my Bailey's
I need my Jager Bombs
Give me that Sake
We mix that alcohol Pop that bub
Cause you know them drinks on me
We killin' these shots like R.I.P.
We're wasted & we ain't going ho-o-ome Fill your cup
Cause you know them drinks on me
We countin' these stacks like 1 2 3
My paper be over flowing
O-O-O My paper be overflowin'
My paper be overflowin'
My paper be overflowin'
