

# Sweetest Goodbye

## Stephen Kellogg & the Sixers

Where you are seems to be  
As far as an eternity  
Outstretched arms, open heart  
And if it never ends then when do we start?  
I'll never leave you behind  
Or treat you unkind  
I know you understand, oh  
And with a tear in my eye  
Give me the sweetest goodbye  
That I ever did receive  
Pushing forward and arching back  
Bring me closer to heart attack  
Say goodbye and just fly away  
When you've comeback, I have some thing to say, yeah  
How does it feel to know you never have to be alone  
When you get home, home  
There must be someplace here that only you and I could go  
So I can show you how I  
Dream away everyday  
Try so hard to disregard  
The rhythm of the rain that drops  
And coincides with the beating of my heart  
I'll never leave you behind

Or treat you unkind  
And I know you'll understand, yeah, yeah, yeah  
And with a tear in my eye  
Give me the sweetest goodbye  
That I ever, ever, ever did receive  
Pushing forward and arching back  
Bring me closer to heart attack  
Say goodbye and just fly away  
When you'll comeback and I have some thing to say, yeah  
How does it feel to know you never have to be alone  
When you get home, home  
There must be someplace here that only you and I could go  
So I can show you how I feel, feel, feel, feel  
How does it feel to know you never have to be alone  
When you get home, home

There must be someplace here that only you and I could go  
So I can show you how I feel  
Show you how I feel  
Show you how I feel  
Show I, show you  
Show you how I feel  
There must be someplace here that only you and I could go  
So I can show you how I feel
