

# There For You

## Lacey Mosley

Vexation of spirit is a waste of time  
Negative thinking, don't you waste your thoughts  
    Verbal conflict is a waste of word  
    Physical conflict is a waste of flesh  
    People will always be who they want  
And that's what really makes the world go 'round  
    Unconditional love is scarce  
    'Til Shiloh I shall not forsake thee  
Now and forever more, forever more, forever more, yeah  
    You see, you gave precious life to me  
    So I live my life for you, you  
    You see, you've always been there for me  
    And so I'll be there for you, you  
    'Til Shiloh I shall not forsake thee  
    Bless your eyes and may your days be long  
May you rise on the morning when his kingdom come  
    Good deeds aren't remembered in the hearts of men  
    Bless your eyes and may your dreams come true  
May you rise on the morning when Jah kingdom come  
    Good deeds aren't remembered in the hearts of men  
    'Til Shiloh I shall not forsake thee  
Now and forever more, forever more, forever more  
    You see, you've always had faith in me  
    And so I'll have faith in you, you  
    You've always been there for me  
    And so I'll be there for you, you  
    Baby, you've always been good to me  
    Even when I'm not good to myself  
    You've always been fair to me  
    Even when I'm not fair to myself  
    You've always done right by me  
    So I will do right by you, you  
    'Til Shiloh I shall not forsake thee  
    You've always been there for me, mama  
    And so I'll be there for you, papa  
    You've always been fair to me, brother  
    And so I'll be fair to you, sister  
    You've always had faith in me  
    And so I'll have faith in you, you

Baby, you've always been good to me  
You've always been kind to me  
You've always stood up for me  
You've always been there for me  
You've always been, ooh  
You've always been, ooh  
You've always did care for me, yeah  
You've always did share with me, yeah  
You've always been true to me  
And so I'll be true to you
