# Rapunzel

## Passafire

I'm on an island
Time is spent hiding
Compiling and writing
Thunder and lightning
Waves of enjoyment
Mixed with employment
Won't miss my appointment
Here among the cloudsDon't know how I will say it
Don't know how to relay it
Feelin' good in my new home
And the time has come to start all over
It's a different perspective
One I want to respect
Feelin' good in my new home
And the time has come to hit reset
Again
I'm in the jungle
My digs are humble
The thunder it rumbles
Awakens Rapunzel
Who let down her blonde hair
Threw me a long stare
I'm happy to be here
We're among the cloudsDon't know how I will say it
Don't know how to relay it
Feelin' good in my new home
And the time has come to start all over
It's a different perspective
One I want to respect
Feelin' good in my new home
And the time has come to hit reset
Again
And I don't know what happened to the rest of it
I don't even care to know just know
Whatever happens happens to the rest of it
I will call wherever you call
HomeDon't know how I will say it
Don't know how to relay it
Feelin' good in my new home

And the time has come to start all over
It's a different perspective
One I want to respect
Feelin' good in my new home
And the time has come to hit reset
Again
