

# I Just Wanna Love You

## The Shires

When I was young  
I don't know, probably just about sixteen  
All that I wanted  
Was a real big house and more money than anyone could need  
Now I'm all grown up  
I know I'm broke, but I don't need to spend a dime  
Since I met you, all I need is your timeI just wanna love you  
I just wanna love you  
And ooh, there's not a thing, no more I want  
I just wanna love you  
So that's all that I'm gonna doWhen you look at me  
I don't know what it is you see  
And nobody's perfect  
But you tell me I am, and damn, I love it  
I used to think that love was complicated  
But since I met you, it's all so easyI just wanna love you  
I just wanna love you  
And ooh, there's not a thing, no more I want  
I just wanna love youIf the storm is coming  
I won't worry  
It could take everything that's mine  
All I need is timeSo I could just love you  
I just wanna love you  
Ooh, there's not a thing, no more I want  
I just wanna love you  
So that's all that I'm gonna do  
That's all that I'm gonna do  
I just wanna love you
