

# New Revolution

[Gin Wigmore](#)

Hey, can you heal these broken bones?  
Hey, can you guide the thoughts we own  
Help, with a question I need to know  
We will rise to burn  
If you let this go In the dark of day  
Teach us love again  
Pray we stay for The new revolution is here  
And the road to redemption is here  
Come hell or high water babe  
Well keep movin on Please, will you Mr.  
Show me hope  
Please, tell my mother to carry on  
Stand up, little darling  
Ive been told to stand up and fight, for living strong In the dark of day  
Teach us love again  
Pray we stay for The new revolution is here  
And the road to redemption is here  
Come hell or high water babe  
Well keep movin on Yeah, yeah, yeah  
Well keep movin on  
Well keep movin on  
Woah, yeah The new revolution is here  
And the road to redemption is here  
Yeah, yeah, yeah  
Come hell or high water babe  
Well keep movin on  
Yeah, well keep movin on
