

# House Of Pain

## Deep Purple

Have you ever had a woman that could make you crazy?  
Have you ever had a woman that could drive you mad?  
Have you ever had a woman give you so much trouble  
And the best lovin' you ever had?  
My friends all say I'm losing it big time  
But I know where I've got to go  
I'm going back there again  
I'm going back there again  
I'm going back there again  
Back to the house of pain  
Have you ever had a rock that just keeps on rollin'?  
Have you ever seen a train comin' down the track?  
Have you ever jumped into the cold, cold river  
And know there's no turning back?  
My friends all say I'm crazy, baby  
I know where I've got to go  
I'm going back there again  
I'm going back there again  
I'm going home  
Back to the house of pain  
  
Have you ever had a weight that was much too heavy?  
Have you ever had a burden that was yours alone?  
Have you ever spent a night when you kept on waiting  
Staring at the telephone?  
My friends all say I'm crazy  
But I know where I've got to go  
I'm going back there again  
I'm going back there again  
I'm going back there again  
Back to the house of pain  
Pain, pain, pain  
Back to the house of pain  
Back to the house of pain  
Back to the house of pain  
Back  
Back  
Back  
Back
