

Young Guns (Go For It!)

Wham!

Hey sucker

(What the hell's got into you?)

Hey sucker

(Now there's nothing you can do)Well I hadn't seen your face around town awhile

So I greeted you, with a knowing smile

When I saw that girl upon your arm

I knew she won your heart with a fatal charm

I said "Soul boy, let's hit the town"

I said "Hey boy, what's with the frown?"

But in return, all you could say was

"Hi George, meet my fiancée"Young guns, having some fun crazy ladies keep 'em on the run

Wise guys realize there's danger in emotional ties

See me, single and free no tears, no fears, what I want to be

One, two, take a look at you death by matrimonyHey sucker

(What the hell's got into you?)

Hey sucker

(Now there's nothing you can do.)A married man, you're out of your head

Sleepless nights, on an H.P. bed

A daddy by the time you're twenty-one

If your happy with a nappy then you're in for fun

But you're here and you're there

Well there's guys like you just everywhere

Looking back on the good old days?

Well this young gun says caution paysYoung guns, having some fun crazy ladies keep 'em on the run

Wise guys realize there's danger in emotional ties

See me, single and free no tears, no fears, what I want to be

One, two, take a look at you death by matrimonyI remember when he such fun and everything was fine

I remember when we use to have a good time, partners in crime

Tell me that's all in the past and I will gladly walk away

Tell me that you're happy now, turning my back nothing to say"Hey tell this jerk to take a hike

There's somethin' 'bout that boy I don't like"

"Well sugar he don't mean the things he said"

"Just get him outta my way, 'cause I'm seeing red

We got plans to make, we got things to buy

And you're wasting time on some creepy guy"

"Hey shut up chick, that's a friend of mine

Just watch your mouth babe, you're out of line"Get back hands off go for it

Get back hands off

Get back hands off go for it

Get back hands off
Get back hands off go for it
Get back hands off
Get back hands off go for it
Get back hands off Young guns, having some fun crazy ladies keep 'em on the run
Wise guys realize there's danger in emotional ties
See me, single and free no tears, no fears, what I want to be
One, two, take a look at you death by matrimony
