

# Redline

Saxon

Hey baby, why don't ya come and ride with me  
Like a bullet I'm the fastest thing you've ever seen  
Hey mama can you hear the monster scream  
Feel the power riding in my mean machine Just me and my machine out on the highway  
Just me and my machine I'll take you tonight  
To the redline  
Like lighting it's the only way I get my fun Don't stop me I gotta let my motor run  
Sensation running up and down my spine  
Celebration streaking past the winning line  
Just me and my machine out on the highway Just me and my machine I'll take you tonight  
To the redline  
Hey baby, why don't ya come and ride with me  
Like a bullet I'm the fastest thing you've ever seen Hey mama can you hear the monster scream  
Feel the power riding in my mean machine  
Just me and my machine out on the highway  
Just me and my machine I'll take you tonight To the redline  
To the redline  
I'll take ya tonight  
To the redline
