

Until I Pass Out

Uncle Reece

Verse 1

I truly understand what people may say
They believe to think how we think is far from okay
But I believe it's never okay to abandon your dreams
And it just so happens that our dream is to lift up a holy king
See this is my life, my choice, and I choose to lift up my hands
And please don't be alarmed if when the music comes on I begin to dance
And run across the room until I can barely catch my breath
And fall on the floor because I gave it all and have
nothing left

Chorus

See I'm gon worship until I pass out (there is no other option)
See I came to worship until I pass out (there is no other option)

Cause we go

Hard in the paint, Hard in the paint We go
Hard in the paint when we worship 4x

Verse 2

If you came to laugh at somebody you can go ahead and laugh at me
Because why your steady laughing I'm dancing off shackles and being set free
See I may look like money but you don't know what I've been through
And I'm still going through some of it so dancing is something that I got to do
See Jesus was the only one that saved my soul
He took a chance on this broken hearted man grab my hand and he made me whole

Yeah

See Jesus was the only one who saved my soul

Yeah

And Jesus was the only one that made me whole

So I'm gon worship until I pass out (there is no other option)

See I'm gon worship until I pass out (there is no other option)

Cause we go

Hard in the paint, Hard in the paint We go
Hard in the paint when we worship
