Touchdown

JTR

Hey I was trying to charm you, and be cool,
Cos you knew your love is like my fuel,
Ignited me to only think of you, It's a wonderful feeling,
Girl you got a smile that's so devine, Iike a summer day that burns all night,
And I'm I'm gunna give some insides,
Cos you're sweeter than life,
And I, I, I, just need you now,
And I, I, I'm not gonna leave without you,
Believe me, I've been running all around,
My feet won't even touch the ground,
Got me singing in the rain,
Got me steaming like a train,
Got me flying like a, bird,
Believe me, I don't wanna touchdown,
Cos every time that your around,
Got me singing in the rain,
Got me steaming like a train,
Got me flying like a, bird,
I don't wanna, touchdown,
I don't wanna, touchdown,
I don't wanna touchdown,
And I, I, I'm
I don't stand a chance, of been grown in,
Cos baby your the queen, please save the king,
Look at all the trouble that I'm in,
I'm falling for you,
And I don't need a picture of your face,
I just close my eyes and there's your grace,
Cos everything around you gravitates,
And falls into place,
And I, I, I, just need you now,
And I, I, I'm not gonna live without you,
Believe me, I've been running all around,
My feet won't even touch the ground,
Got me singing in the rain,
Got me steaming like a train,
Got me flying like a, bird,
Believe me, I don't wanna touchdown,
Cos every time that your around,

Got me singing in the rain,
Got me steaming like a train,
Got me flying like a, bird,
I don't wanna, touchdown,
I don't wanna, touchdown,
I don't wanna touchdown,
And I, I, I'm
Oh, this feeling is so true,
And I know you feel the joy I feel, when I am here with you,
I gotta whole sleeve full,
So will you let me in, I won't let down,
Show you I'm the one,
Believe me, I've been running all around,
My feet won't even touch the ground,
Got me singing in the rain,
Got me steaming like a train,
Got me flying like a, bird,
Believe me, I don't wanna touchdown,
Cos every time that your around,
Got me singing in the rain,
Got me steaming like a train,
Got me flying like a, bird,
Believe me, I've been running all around,
My feet won't even touch the ground,
Got me singing in the rain,
Got me steaming like a train,
Got me flying like a, bird,
Believe me, I don't wanna touchdown,
Cos every time that your around,
Got me singing in the rain,
Got me steaming like a train,
Got me flying like a, bird,
I don't wanna, touchdown,
I don't wanna, touchdown,
I don't wanna touchdown,
And I, I, I'm
I don't wanna, touchdown,
I don't wanna, touchdown,
I don't wanna touchdown,
And I, I, I'm
