Blood on Your Lips

Sodom

Stalking down the enemy
These haunting memories
The evil men are killing blindly
Erased of human waste
It's frozen in their face
Traumatic minds enslaved
Screams that never reached my ears
Until the death redeemsAmbivalence
Lost salvation
Lunatic fringe
Incarceration
Freedom's slave
Subliminal deceitBlood, blood on your lips
Measure my faith
Come on to die with me
Blood, blood on your lips
You're falling down
Into a pitiless sleepMy systematic procedure
Within my concious mind
Can't wash away the crimson stains
No tears that save my eyes
Passion for the flesh
I know that never dies
The devils that surround me
Never asking whyImagination
Victimized
Obliteration
Justified
All I see
The multitudes of deathBlood, blood on your lips
Measure my faith
Come on to die with me
Blood, blood on your lips
You're falling down
Into a pitiless sleepBlood - Die with me
Blood - On your lipsI am the chosen one
Your dad and your lovely mum
I'll offer my secrets for you
My physical lustThis is for me and you

Searching to find the truth
No reason for you to cry
We'll find the paradiseBlood on your lipsAmbivalence
Lost salvation
Lunatic fringe
Incarceration
Freedom's slave
Subliminal deceitBlood, blood on your lips
Measure my faith
Come on to die with me
Blood, blood on your lips
You're falling down
Into a pitiless sleepBlood - on your lips
Blood - Die with me
