

I Won't Give Up

[Deborah Cox](#)

In a way, you're gonna know
'Cause what I'm feeling, is gonna show
Friends may say you're out of my league
But I won't be discouraged 'cause they just can't see I won't give up that easy no matter how they tease me
You pick me up and I don't wanna come down
I won't give up that easy 'cause this feels so good to me
I get this feeling every time you come 'round Who'd have thought that it would be you
To steal my heart and make me feel the way I do
Now all this time, you've been just a friend
You see, they think I'm crazy to want you for my man There's no way to explain what I'm going through
All I know is I'm in love with you I won't give up that easy no matter how they tease me
You pick me up and I don't wanna come down
I won't give up that easy 'cause this feels so good to me
I get this feeling every time you come 'round Don't wanna be without you 'cause every time I think about you
I feel like I'm going crazy out of my head
I just wanna figure out how I can go about
Making you feel the same I won't give up that easy no matter how they tease me
You pick me up and I don't wanna come down
I won't give up that easy 'cause this feels so good to me
I get this feeling every time you come 'round I won't give up that easy no matter how they tease me
You pick me up and I don't wanna come down
I won't give up that easy 'cause this feels so good to me
I get this feeling every time you come 'round I won't give up that easy no matter how they tease me
You pick me up and I don't wanna come down
