

Luxury Liner

Jedd Hughes

Well the luxury liner, forty tons of steel
If I don't find my baby now, I guess I never will
I've been a long lost soul for a long, long time
Yeah I've been around, everybody ought to know
What's on my mind, you think I'm lonesome, so do I, so do I Well, I'm the kind of guy
Who likes to make a livin' runnin' 'round
And I don't need a stranger
To tell me that my baby's let me down
You think I'm lonesome, so do I, so do I Luxury liner and forty tons of steel
No one in this whole wide world knows the way I feel
I've been a long lost soul for a long, long time
Yeah I've been around, everybody ought to know
What's on my mind, you think I'm lonesome, so do I, so do I Luxury liner and forty tons of steel
If I don't find my baby now, I guess I never will
I've been a long lost soul for a long, long time
Yeah I've been around everybody ought to know
What's on my mind
