

Change

Tears For Fears

You walked into the room, I just had to laugh
The face you wore was cool, you were a photograph
When it's all too late, it's all too late I did not have the time, I did not have the nerve
To ask you how you feel, is this what you deserve?
When it's all too late, it's all too late Change
You can change
Change
You can change And something on your mind became a point of view
I lost your honesty you lost the life in you
When it's all too late, it's all too late We walk and talk in time, I walk and talk in two
Where does the end of me become the start of you
When it's all too late, it's all too late Change
You can change
Change
You can change What has happened to
The friend that I once knew?
Has he gone away? When it's all too late, it's all too late Change
Change
You can change
Change
You can change
...
