

# This Song

## James Wallace and the Naked Light

This song has nothing tricky about it  
This song ain't black or white and as far as I know  
Don't infringe on anyone's copyright, so  
This song, we'll let be, this song is in E  
This song is for you and  
This tune has nothing bright about it  
This tune ain't bad or good and come ever what may  
My expert tells me it's okay  
As this song came to me unknowingly  
This song could be, you could be  
This riff ain't trying to win gold medals  
This riff ain't hip or square, well, done or rare  
End up one more weight to bear  
But this song could well be  
A reason to see that  
Without you, there's no point to this song  
But this song could well be  
A reason to see that  
Without you, there's no point to this song
