

# Say Yes

112

I wanna show you how I feel  
Don't hold back, heres my love  
Baby, you're the one for me  
How can we get down tonight?  
No more game, lets spend some time  
Baby, won't you give it to me?  
Just give it to me, baby You don't know what you do to me  
The way you touch, baby  
(Girl, I'm tired of playing games, are you ready?)  
I love it when you're on top of it, so spread it  
(Won't you just give it to me, girl? We can do it) Hot and wet  
Girl, you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to you  
Girl, you know I wanna give it to you Baby, now it's getting late  
Don't stop now, I can't wait  
To show you belong to me  
Know how I like it  
Take your time, close your eyes  
Let me show you what real love should be You don't know what you do to me  
The way you touch, baby  
(Girl, I'm tired of playing games, are you ready)  
I love it when you're on top of it, so spread it  
(Won't you just give it to me, girl, we can do it) Hot and wet  
Girl, you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to you  
Girl, you know I wanna give it to you Now baby, you don't work, if you work it, tweak it, twork it  
I feel like your every imperfection is perfect  
Luda, yeah, what you heard is true  
I'll make you do things you ain't even know you can do  
Got them weak in the knees cuz my back is strong  
And you wonder why your girls wanna tag along Cuz them birds are jealous, my words are embellish  
Plus they heard I kiss every curve and crevice  
I'm too hot to handle, I rock your mantle  
When I play 112 and light 16 candles  
Deep sea fishing in your favorite position  
Every time you moan I pay close attention Flip 'em like a pancake, show me something  
Or we can bring in your vibrating tongue ring

Lets mountain climb 'til we reach the peak  
The technique will make you sweat  
But don't sweat the technique You don't know what you do to me  
The way you touch, baby  
(Girl, I'm tired of playing games, are you ready)  
I love it when you're on top of it, so spread it  
(Won't you just give it to me, girl, we can do it) Hot and wet  
Girl, you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to you  
Girl, you know I wanna give it to you You don't know what you do to me  
The way you touch, baby  
(Girl, I'm tired of playing games, are you ready)  
I love it when you're on top of it, so spread it  
(Won't you just give it to me, girl, we can do it) Hot and wet  
Girl, you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to you  
Girl, you know I wanna give it to you You don't know what you do to me  
The way you touch, baby  
(Girl, I'm tired of playing games, are you ready)  
I love it when you're on top of it, so spread it  
(Won't you just give it to me, girl, we can do it) Hot and wet  
Girl, you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to you  
Girl, you know I wanna give it to you
