

Born On a Different Cloud

Oasis

Born on a different cloud
From the ones that have burst round town
It's no surprise to me
That you're classless, clever, and freeLoaded just like a gun
You're the hero that's still unsung
Living on borrowed time
You're my son and you're gonna shineTalking to myself again
This time I think I'm getting through
It's funny how you think
It's funny how, it's funny how when you doBorn on a different cloud
From the ones that have burst round town
It's no surprise to me
That you're classless, clever, and freeLonely soul, busy working overtime
Nothing ever gets done, especially when your hands are tied
Lonely soul, breaking up your mothers pride
Nothing ever gets done, not until your war's wonWe're born on a different cloud
You're born on a different cloud
We're born on a different cloud
We're born on a different cloudWe're born on a different cloud
We're born on a different cloud
We're born on a different cloud
We're born on a different cloudBorn on a different cloud
Born on a different cloud
Born on a different cloud
Born on a different cloudDa da da da na na na na
Da da da da na na na na
Da da da da na na na na
Da da da da na na naBorn on a different cloud
(Da da da da na na na na)
Born on a different cloud
(Da da da da na na na na)
Born on a different cloud
(Da da da da na na na na)
