

Never Take No for an Answer

[Jim Reeves](#)

If you're sittin' with your baby in the moonlight ask her for a kiss and she says no
Keep tryin' things may happen you may some night catch her nappin'
So never take no for an answer
Never take no that won't make the lovelight glow
Take your sweetheart in your arms and then romance her
Go ahead and take a chance this may be your big romance
So never take no for an answer If you wanna pitch some woo with your baby
Some night when you take her to a show
If you wanna snuggle closer but all she says is no sir never take no for an answer
Never take no that won't make
