

What's Wrong

Zornik

We fail and we lie
But what can we do
I got scared
and I ran away But where can I go
But what if we fail to be one
when there's no-one to tell us What's wrong
What's wrong
What's going on (2x) We fail and we lie
but what can we do
But what if we fail to be one
When there's no-one to tell us What's wrong
What's wrong
What's going on (2x) What's wrong with us
What's wrong with us
What's wrong with us
