

It's the Same Old Song

KC and the Sunshine Band

You're sweet as a honey bee, but like a honey bee stings
You've gone and left my heart in pain
All you've left is our favorite song
The one we danced to all night long
It used to bring sweet memories
Of a tender love that used to be
Now it's the same old song
(Don't you hear it now, oh)
But with a different meaning
Since you been gone
Now it's the same old song
(Don't you hear it now, oh)
But with a different meaning
Since you been gone
A sentimental fool am I
To hear a old love song and wanna cry
But the melody keeps haunting me
Reminding me how in love we used to be
I keep hearing the part that used to touch our heart
Saying together forever, breaking up never
Now it's the same old song
(Don't you hear it now, oh)
But with a different meaning
Since you been gone
Now it's the same old song
(Don't you hear it now, oh)
But with a different meaning
Since you been gone
Don't you hear it now, oh
Since you been gone
Don't you hear it now, oh
Since you been gone
Precious memories keep a lingering on
Everytime I hear our favorite song
But now you're gone, left this emptiness
I only reminisce the happiness we spent
We used to dance through the music
(We used to dance through the music)
Make romance to the music
(Make romance to the music)
Now it's the same old song
(Don't you hear it now, oh)
But with a different meaning
Since you been gone
Now it's the same old song

(Don't you hear it now, oh)

But with a different meaning

Since you been goneNow it's the same old song

(Don't you hear it now, oh)

But with a different meaning

Since you been gone

Now it's the same old song

(Don't you hear it now, oh)

But with a different meaning

Since you been goneNow it's the same old song

(Don't you hear it now, oh)

But with a different meaning

Since you been gone

Now it's the same old song

(Don't you hear it now, oh)

But with a different meaning

Since you been goneIt's the same, It's the same

It's the same, same, same old song

(Don't you hear it now)

It's the same, it's the same

It's the same, same, same old song

(Get better, hear it now)Now it's the same old song

(Don't you hear it now, oh)

But with a different meaning

Since you been gone

Now it's the same old song

(Get better, hear it now)

But with a different meaning

Since you been goneNow it's the same old song
