

Until Forever

Leo Soul

Buckle up and hold on tight
All aboard on this endless ride
Forever
Until forever
Here and now, I feel so alive
These are the signs of an endless night
Forever
Until forever

Come lets go
I'll take you there
Lets move forever
The time is here

We go,
On and on
We go,
On and on
We go,
On and on
We go,
On and on

We have no limits no drunken ride
Hold tight for inukshuk you're in this night

We go,
On and on
We go,
On and on
We go,
On and on
We go,
On and on

The moon is full so the hunger strikes
I've got a craving that will never die
Forever
Until forever
And ever

This is the place that you wanna be
Lets take this moment put it on repeat
Forever
Until forever

Come lets go
I'll take you there
Lets move forever
The time is here

We go,
On and on
We go,
On and on
We go,
On and on
We go,
On and on

We have no limits no drunken ride
Hold tight for inukshuk you're in this night

We go,
On and on
We go,
On and on
We go,
On and on
We go,
On and on
